.....  
.....
- c) Means of transportation: .....
- d) Proposed date and port of shipment: .....

**IV. Health Information**

I, the undersigned, certify that the meat described at I overleaf meet the following requirements:-

- a) the said meat was derived from animals which were born and reared only in the United Kingdom;
- b) the animals from which the meat was obtained were subjected to ante-mortem inspection under official veterinary supervision where no clinical evidence of notifiable infectious or contagious disease was noted;
- c) the animals from which the meat was derived were examined under official veterinary supervision immediately after slaughter and found fit for human consumption in accordance with Regulations currently in force in the United Kingdom;
- d) the animals were slaughtered and the meat prepared in an establishment approved for export to the EC;
- e) the animals from which the meat was derived did not come from holdings under restrictions for any OIE List A disease to which the animal species named at I a) above is susceptible;
- f) the United Kingdom is recognised by the Office International des Epizooties (OIE) as a country free from Foot and Mouth Disease (FMD) without vaccination;
- g) the meat has been produced, handled, stored and transported within the United Kingdom in such a way as to prevent contact or comminglement with any animal products that do not originate in the United Kingdom;
- h) the meat is acceptable for human consumption in the United Kingdom.
