      ....

(d) Container/seal number OR alternative identification details available

   such as shipping marks, batch numbers or pallet numbers:

      ....

      ....

II   Origin of products

* (a) Name, address and official approval number of the slaughterhouse(s):

      ....

      ....

      ....

* (b) Name, address and official approval number of the cutting premises:

      ....

      ....

      ....

* (c) Name, address and official approval number of the processing premises:

      ....

      ....

      ....

7239EHC (Cleared 08/11/2010)

* (d) Name, address and official approval number of the cold store:

    ....

    ....

    ....

III   Destination of products

(a) Name and address of exporter:...

    ....

    ....

(b) Name and address of consignee:..

    ....

    ....

(c) Name and address of premises of despatch:

    ....

(d) Means of transportation (Name of ship, flight number, airport/port of

    departure):..

    ....

IV   Health Information

I, the undersigned, certify that:

(a)   the meat/meat products was/were derived from animals which have been
       subjected to ante-mortem and post-mortem inspection under veterinary
       supervision in an officially approved slaughterhouse and found fit
       for human consumption;

(b)   the meat/meat products and/or the packaging thereof bears an official
       oval mark indicating that it/they has/have been obtained, processed,
       packaged, labelled and stored in an officially approved establishment
       in accordance with European Union hygiene regulations, including
       compliance with the microbiological criteria, and is/are fit for
       human consumption;

(c)   the meat/meat products has/have been stored in an hygienic manner in
       accordance with European Union hygiene regulations so as to prevent
       contamination with agents known to cause infectious disease of humans
       or animals;

(d)   European Union approved slaughterhouses/meat establishments are
       subjected to monitoring under the national residue monitoring plan to
       ensure that meat intended for trade within the European Union does
       not contain levels exceeding the limits permitted by European Union
       regulations of any veterinary medicinal product, antiparasitic agent,
       heavy metal contaminant, beta-agonist or any substance having a
       thyrostatic, oestrogenic, androgenic or gestogenic action;

(e)   the transport vehicles or containers and the loading conditions of
       this consignment meet the conditions laid down in European Union
       hygiene regulations;

7239EHC (Cleared 08/11/2010)
